

Corporate Profile

Ergoworld Pte Ltd (EPL) is a member company of the ERGOWORLD GROUP OF COMPANIES in Asia. EPL was formed in February 1998 in Singapore with a current total strength of 15 professional and support staff to market and manage the high quality products locally and in Asia Pacific region.

Brief History

Currently, Ergoworld have 3 manufacturing arms – Ergonomic Industries (M) Sdn Bhd (EISB) in Kuala Lumpur, Malaysia, Ergonomic Systems Philippines (ESP) in Makati, Philippines and Ergoworld (Shanghai) Furniture Co., Ltd (EWSFCL) in Qingpu County, Shanghai, China – in the Ergoworld Group with a combined production area of 20,000 sqm. These 3 manufacturing arms now have a manufacturing capacity of almost 1,000 chairs per day. These 3 manufacturing arms also manufacture other high quality products like public - institutional seating, integrated system furniture, wall partition systems, cubicles, etc.

The Ergoworld Group of companies has a total lean strength of over 450 staff in Asia. The staff strength can be increased at anytime to more 500 staff when engaged with large projects. Ergoworld has a team of experienced staff able to handle and manage international projects from design and drawing to hand-over stages.

Ergoworld has manufactured, supplied and installed many thousand units of public - institutional seating over the years to many local and oversea institutions in the financial, commercial, industrial and government statutory sectors.

In October 2000, EPL joint venture with Tecno Spa, Italy and established Tecno Furniture (Asia) Pte Ltd to manufacture & distribute a range of high quality Tecno products in Asia. Ergoworld has since distributed and installed the various products in the asia-pacific region (refer to attached list).
