

Spectrum Design West is a globally positioned, Trading & Strategic Development firm, focusing in the areas of:

1. Architectural Design and Development
2. Strategic Planning and Consulting Services
3. Commercial Tracking & Security Systems
4. Contract Manufacturing
5. Armored Vehicles
6. Portable Wastewater & Water Treatment Systems
7. Cement and Raw Materials
8. Ferrous and Non-Ferrous Metals
9. Commercial Building Products & Materials

Founded in 1962 as Design West Inc. by Mr. Art Ellsworth, The Company has built a solid reputation in Industrial Design, Engineering & Prototyping Services, and Contract Management.

The Company was re-organized in January 2006 as Spectrum Design West, Inc., with a new name and logo representing the wider scope and focus of the business while maintaining the core competencies that it built its' reputation on.

A key strategy the Company has adopted for the 2009 Fiscal Year is the marketing of construction, commodities, and industrial products needed in emerging sectors of the global economy.

Successful projects have been completed in North and South America, China, Taiwan, The Philippines, Southwest Asia, and Europe.
